

Control Your TV With Your Android™

Visit the Play Store and download the free app called **ManageMyTVs**.

To use ManageMyTVs App:

1. Select the ManageMyTVs icon and the Sign In screen will appear.
2. Enter in your username in the Username field.
3. Enter in your password in the Password field.
4. Select the Sign In button.
5. Enter in the Service Provider Address:
216.106.220.76

Note: First time users will need to create a username and password. Please call the TrioTel business office at 425-2238 to assign your username and password.

After your initial log in, select the Remember Password check box if you would like your password saved so that sign in is not required every time you enter the app.

App Features:

Program Search

Search by keyword or phrase for a specific program. Search results may be selected to view program information and schedule future recordings.

Program Guide

View up to 12 days of guide information by the date and channel number. Programs may be selected within from the guide to view program information and schedule future recordings.

Show Recordings

View all existing and scheduled recordings. Select the DVR from within your home and view either Current, Future, and Series recordings.

Remote Control

Use your Android™ as a functional remote control to navigate the Up and Down arrow buttons, the Right and Left arrow buttons, OK button, Menu button, Guide button, Info button, and Exit button or tune to a specific channel.
