

TrioVision Timeshift Drive

1

Plug the drive into the back of your Amino A140 set-top-box (STB). *The drive fits snugly.*

2

Turn the TV on and reboot your STB by either removing the power supply from the back of the STB or unplugging the STB power supply from the power source. Wait 15 seconds and plug the power supply back in. STB may take a few minutes to reboot.

3

Conveniently pause, rewind and resume live TV with your TrioVision remote. The drive intelligently buffers video for up to one hour.

Pause and rewind LIVE TV without a DVR with the
TrioVision Timeshift Drive!
