

## **Covid-19 data for Thursday, May 14**

<https://doh.sd.gov/news/coronavirus.aspx>

**There are 60 new cases of Covid-19 in South Dakota reported in the past 24 hours. That brings the total number of cases to 3,792. (NOTE: I mistyped the number of new cases reported in SD in yesterday's email. The number of new cases reported on Wednesday should have been 69, not 60 as what appeared in my email update.)**

**There are 9 new hospitalizations in the state which brings the total number of people ever hospitalized in South Dakota to 290. Currently, there are 85 people in the hospital with Covid symptoms.**

**There are 4 new deaths (all Minnehaha County residents) so the total number of deaths now reported is 43.**

**Currently, there are 1,312 active cases of Covid-19 in South Dakota.**

**There are 70 new recoveries in the past 24 hours. The total number of recoveries now sits at 2,437.**

**There are 569 new negative tests reported which brings the total number of negative tests performed to 22,681.**

**The new cases reported today are located in: Brown County (11), Charles Mix (1), Clark (1), Davison (1), Grant (1), Lincoln (2), Lyman (1), Minnehaha (33), Pennington (4), Roberts (3), Union (1) and Yankton (2).**

**In addition, there are currently 95 cases associated with employees of the Demkota beef plant in Aberdeen. 45 of those cases are officially listed as recovered.**
